2015 President's Message

In March, we held our first Annual St. Patrick's Day Dance at the Clayton community centre. Much to our surprise, it sold out and was a huge success with many laughs, dancing, a light lunch, silent auction, door prizes great music by Harry Adrain, Mark Hannah, Ed Ashton and Eric Labelle and the infamous "Pie Auction". I'm sure I will still be hearing about the pies in 30 years. It was a well needed and enjoyed fundraiser after last year's rainy fair day. You don't want to miss this dance, it was a real good time and you just never know who next year's pie contestants might be.

Next year's dance: Saturday, March 12, 2016

On July 11, the Middleville Agricultural Society and the Middleville & District Museum, host The 3rd Annual Highland's Heritage Day at the fairgrounds and museum. This is a wonderful, working display of vintage goods such as farm tractors and equipment, cars, trucks, snowmobiles, hit & miss engines powering different implements such as a butter churn or water pump, horse drawn hay press, dog powered butter churn, natural fiber dyeing, household items and a beautiful display of vintage quilts and needlework. New this year is a Farmer's Breakfast from 7 am – 10 am in the Agricultural Hall, The Shriner's Hillbillies and a small parade around the grounds at 1 pm. A busy day with old fashioned kid's games, cross-cut saw and kettle boil competitions in the afternoon. This is the perfect opportunity to show the younger generations how their ancestors lived and/or reminisce a little.

Then comes September. For 164 years the Middleville Agricultural Society has worked hard to keep this small agricultural fair running. Years and years of dedication and support towards their community shine through each year on this fall day. It takes countless hours from board members, community volunteers and exhibitors, and support from families, neighbors and friends to make it all happen. I'm honored to be president of such an amazing group of people who have taught me so much, guided me in many ways, and trust in me to bring new ideas and growth to our society and to our community.

With growth in mind, we try to remain strong in our agricultural beliefs by supporting local agricultural any way we can. This year we are celebrating 4-H Ontario's 100th anniversary by making it our theme, as well as our North Lanark 4-H Achievement Program, Sheep and Lamb show.

Please join us on September 19, for a fun filled day of horse, cattle and sheep shows, kids games, live entertainment by the Barley Shakers, the halls filled with exhibits, a farmers market and our famous turkey dinner. Bring your family, friends and neighbors for a wonderful experience of an “old fashioned agricultural fair”.

See you all there.

Terry Fox Run in Lanark village cancelled without notice

By Gene O'Brien
Special

The Terry Fox Run in Lanark village was cancelled without notice. The event was scheduled for September 10th, but was cancelled due to a lack of participants. The organizers of the event were disappointed, but understand the reasons for the cancellation. The event was a major fundraiser for the Terry Fox Foundation, and the organizers were hoping to raise a significant amount of money. The cancellation was a major setback for the organizers, but they will continue to work towards making the event a success in the future.

THANK YOU!!

The Directors of the Middleville Agricultural Society wish to thank all who have donated

cash, gifts, values, or trophies to our Fair or who have not been included in this list through an oversight. We would also like to thank all the people who contribute their time and service to our kitchen and to the care of the buildings and grounds throughout the year.

With everyone's help and support, we look ahead to being able to present another edition of the Middleville Fair -

“A TRULY AGRICULTURAL SHOW!”

Protect your life's work. Insure your farm with a company founded by farmers.

Our company was started 65 years ago by a group of Saskatchewan wheat farmers who wanted to protect their families and their hard work. Today, The Co-operators is a leading Canadian-owned multi-product insurance company, protecting thousands of farms across the country.
